Have you ever thought about Zakat?

Zakat is the third pillar of Islam. A holy deed, prescribed by Quran, adjoined with Namaz in 27 places. Zakat is a beautiful practice that assures you purity of life and wellness of the society. There are many people around us living a hopeless life - without shelter, drinking water, affected with dreadful diseases, academic dropouts, joblessness and many others condemned to bonded labor and immoral life and yet many innocent people incarcerated.

Baithuzzakth Kerala is a leading zakat institution in Kerala with network across the state. It collects zakat and disburs it among poor to reduce poverty and improve livelihood. We could disrtribute Zakat to more than 15000 benifitiaries so far. Baithuzzakth Kerala was instrumental in wiping out tears of many flood affected poor families of Kerala. I would like to request you to entrust zakat due of you and your family with Baithuzzakth Kerala. Let the amount reach to the most deserved one. May Allah almighty shower peace and prosperity upon you and your family.

Prayerfully,
VK Ali,
Chairman,
Baithuzzakath Kerala
